

APPLICATION TO ATTEND MORE THAN TWO VISITING RALLIES

This application is for members to apply to State Coaching Panel for an exemption to the restriction that permits a member to attend no more than 2 visiting rallies in a calendar year.

Only members, who are unable to attend regular rallies at their home club due to living away from home (ie school boarders) are eligible for this exemption.

This form must be completed by the rider and submitted to the Pony Club WA State Coaching Panel prior to attending more than two visiting rallies.

Please note the following:

- Members applying for this exemption will only be able to represent their home club at events and will be required to fulfil rally qualification requirements at their home club as per the Pony Club WA Handbook.
- Prior arrangements of a visiting member to attend a rally at another club must be made by each of the Club Chief Coaches.
- Visiting members may be required to fulfil rally roster duties and be responsible for paying a rally fee.
- State Coaching Panel meetings are held on the 3rd Monday of every month. Please allow time for your exemption to be included on the meeting agenda.

Name of Rider			
Current Club			
Boarding School			
Email
