

NYRELL WILLIAMS

Chairperson

I have been involved with Pony Club since 1990 at Riverside Park. I was initially involved in coaching then in 1997 became a committee member. During this time I have held the positions of Treasurer for two years, Chief Coach for a total 10 years, and Secretary for two years and general committee for the balance until a couple of years ago when I now enjoy coaching at the Club.

I was involved with the Metropolitan Zone from 1997 for many years and held the positions of C*/K Co-ordinator and Zone Coach Co-ordinator.

I was appointed to the PCAWA State Coaching Panel in 2008 and have held the position of Chairperson for the past 3 years and have also been in the positions of State C* Co-ordinator, State NCAS Preliminary Coach Co-ordinator and Board Representative. I am a NCAS PC Level 1 Coach, Efficiency Level Examiner for C, C Star/K and NCAS Preliminary Coach Assessor and an Accredited Gear Checker

I would like to see Pony Club continue to be a prominent youth organisation. I am passionate to promote the "Aims and Objectives of Pony Club" to all members and coaches and allow all youth the opportunity Pony Club has to offer.
