" I would like to thank everyone at Horseland Midland for all their incredible support they have given to me throughout 2019 and it is incredibly hard to put into words what this sponsorship has meant to me. This sponsorship has meant so much to me as it has truly opened up my eyes to a whole different perspective on our sport. It's quite incredible how much more people recognise you once you become sponsored. I used to be the little quite achiever working away in the background and now it's like I'm in the spotlight. I must say that has meant a lot to me as I feel as if all my hard work and dedication that I have put into my horses over the years has finally paid off.

However, there is so much more to it than that, this sponsorship has also enabled me to become a better rider and to be a real role model to the younger generation coming up through pony club. All I have ever wanted to do in Pony club is to help and encourage the younger riders to have a go and take every opportunity that is out there because there is so much up for offer. This sponsorship has helped me achieve my goal for 2019 which was to compete internationally once again and to get all my horse out and about even more than what I did in 2018. It was so nice to be able to share my success with Horseland after winning the Tri Nations cup and knowing that they were there the whole time supporting me throughout my journey. I'm now off to my third international event in March and I have Horseland Midland to thank for that. The whole team at Horseland Midland are incredibly kind, supportive and helpful and I must say having the \$500 to spend in store was also greatly appreciated as it enabled me to buy my second Comiftec bridle, two new pressure ease girth's, new PEI boots, Dublin competition jodhpurs and even my new Charles Owen skull cap which I absolutely love. There is no way that I would have been able to purchase all of these great products if I didn't have the help from the sponsorship. Horseland Midland always had me looking great with all their new products and I know for a fact that my horses greatly appreciated their new bridles and girth's. They made a huge difference to the way that they performed. This has truly been an incredible experience and I have absolutely loved being a Horseland Midland sponsored rider and I am going to miss having team Horseland behind me. It has truly been a privilege to ride and compete for such an amazing store."
