In 2019 I was honoured with the opportunity to represent Horseland Kelmscott as their Pony Club Sponsored Rider and what a year it was! Through the support of this store and their fantastic program I was able to achieve so many riding goals. The most notable of these was being selected for the WA State Mounted Games Team and travelling with my pony to Sydney to compete at the 2019 PCA Nationals where our team placed 2<sup>nd</sup>. It was an incredible experience and a goal I am so grateful to have achieved.

I was also so lucky to receive a number of coaching sessions from multiple Horseland Sponsored Riders in various disciplines which have really helped myself and my horse in our equestrian education. This component of the program is unlike any other sponsorship I know of and the experience gained has been so valuable.

As the outgoing Pony Club Sponsored Rider for Horseland Kelmscott in 2019 I would like to say a massive thank you to Jen and the team who I have enjoyed getting to know and work with over the past year. Their support has been incredible, and I've had such an amazing year as part of this awesome program.

I wish all the applicants for 2020 the best of luck and can't wait to see the achievements of the selected rider over the year to come.
