- There may be restrictions to the number of teams a Club can enter in each event. Team 1 will be automatically accepted. Any further teams are subject to approval by the State Showjumping Committee.

- If a club or zone has insufficient riders to form a team, the State Showjumping Committee will endeavour to create a composite team with riders from the same Zone or conduct a ballot for composite teams.
- Proof of Competency form must be forward for the riders from Zones who did not have sufficient riders for a Zone Run-off.

## DECLARATION OF RALLY QUALIFICATION AND COMPETENCY

The club will be emailed a list of riders who have entered and they need to verify their Rally Qualifications and competency at the level they have nominated.

## HELPER DUTIES

85cm to 105cm	325mpm
Up to and including 80cm	300mpm

### TIMETABLE CLASHES

Showjumping classes available are for Zone Teams, Club Teams and Individual Competitors.

In the event of a clash in the timetable, riders that have been selected in the Zone team must ride in the Zone class, if riders do not present on time, this may result in the elimination of the team.

The order of preference should be as follows:

1. Zone
2. Club Teams
3. Individual classes

It is good etiquette to inform the arena marshals if you have a clash, individual classes do not need to go in draw order, but a class cannot be held open for extended periods waiting for individuals to present and there will be no refunds if classes are missed.

### HORSES

- Plaiting is not mandatory but is expected for the Brigid Woss Equitation Team Event and it would be appreciated if all horses were plaited for all Championship classes, as we are on public display.
- Each horse or pony may only be ridden by one rider for the duration of the Championships.
- A competitor may enter and ride two horses over the Championship weekend.
- Rider/horse combination must be competent at the height(s) that they have elected to enter.
- Riders with two horses competing must supply a helper for each mount.

### RIDERS

- Riders cannot compete in more than one height in the same event format.  
For example, you cannot ride in the AM7 60cm and then the AM7 70cm, but you can enter the AM7 60cm and Optimum Time 70cm. They can ride consecutive if ridden in a different arena.
- **NOTE:** You can only compete in one round in each class, no HC available.
- A rider may only ride in one team in the Brigid Woss & Team Challenge. A rider cannot enter these classes on a second mount.

## PRESENTATIONS

Presentations for most classes will be mounted and will take place after the class in the main arena.

## GEAR CHECKING

All saddlery must comply with the current Pony Club WA Gear Checking Manual.

PLEASE BRING YOUR CURRENT GEAR EXEMPTION WITH YOU WHEN YOU PRESENT FOR GEAR CHECKING IF YOU HAVE ONE. Riders must be accompanied by the Team Manager for Gear Checking prior to the start of the team and zone competition.

## CANCELLATIONS, SCRATCHINGS OR ALTERATIONS

If for any reason you wish to withdraw from a class during the event, please inform the Event office as soon as possible. NO ENTRIES ON THE DAY OR SWAPPING OF CLASSES WILL BE PERMITTED. If you are withdrawing from a team, a form must be obtained from the event office and completed by the Team Manager. If your team has a duly qualified substitute, substitution forms will be available in the event office and must be completed by the Team Manager at least 30 minutes before the rider is scheduled to commence the class.

## VET

A Veterinary Officer will be on call throughout the Championships to provide services to injured or sick horses. Any veterinary expenses are the responsibility of the individual.

## FARRIER

There will be no official farrier on grounds over the weekend. If you need the services of a farrier, please call whomever you usually use.

## SWABBING

Pony Club WA adheres to a policy of random swabbing. Swabbing may be carried out at any State competition.
