6. POSITION STATEMENTS

6.1 Child Protection

Pony Club WA is committed to the safety and well-being of all children and young people who participate in our sport or access our services. We support the rights of the child and will act at all times to ensure that a child-safe environment is maintained.

We acknowledge the valuable contribution made by our staff, members and volunteers and we encourage their active participation in providing a safe, fair and inclusive environment for all participants.

6.1.1 Identify and analyse risk of harm

We will develop and implement a risk management strategy, including a review of our existing child protection practices, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the actions of an employee, volunteer or another person.

6.1.2 Develop codes of conduct

We will develop and promote codes of conduct that sets out the conduct we expect of adults when they deal and interact with children involved in our sport, especially those in our care. These codes will clearly describe professional boundaries, ethical behaviour and unacceptable behaviour (refer to Part B: Codes of Conduct).

6.1.3 Choose suitable employees and volunteers

We will take all reasonable steps to ensure that our organisation engages suitable and appropriate people to work with children, especially those in positions that involve regular unsupervised contact with children. This will include using a range of screening measures.

We will ensure that Working with Children Checks are conducted for all employees and volunteers who work with children where an assessment is required by law. If a criminal history report is obtained as part of their screening process, we will handle this information confidentially and in accordance with the relevant legal requirements (refer to Part C: Employment Screening / Working with Children Check Requirements).

6.1.4 Support, train, supervise and enhance performance

Employees and volunteers, working with children, will have ongoing support and training opportunities to develop their skills and capacity to enhance their interactions with the children so we can maintain a child-safe environment in our sport.

6.1.5: Empower and promote the participation of children

We will encourage children and young people to be involved in developing and maintaining a child-safe environment for our sport.

6.1.6: Report and respond appropriately to suspected abuse and neglect

We will ensure that all our employees and volunteers are able to identify and respond appropriately to children at risk of harm and that they are aware of their responsibilities under state laws to make a report if they suspect on reasonable grounds that a child has been, or is being, abused or neglected (see Appendix 1: Procedure for Handling Allegations of Child Abuse).

We will treat any allegation of child abuse or neglect promptly, seriously and with a high degree of sensitivity.

Further, if any person believes that another person or organisation bound by this policy is acting inappropriately towards a child, or is in breach of this policy, he or she may lodge a complaint (refer to Part D: Member Protection Complaints).

6.2 Taking Images of Children

There is a risk that images of children may be used inappropriately or illegally. Pony Club WA requires that individuals and associations, wherever possible, obtain permission from a child's parent/guardian

before taking an image of a child that is not their own. They should also make sure the parent/guardian understands how the image will be used.

To respect people's privacy, we do not allow camera phones, videos and cameras to be used inside changing areas, showers and toilets which we control or are used in connection with our sport.

When using a photo of a child, we will not name or identify the child or publish personal information, such as residential address, email address or telephone number, without the consent of the child's parent/guardian. We will not provide information about a child's hobbies, interests, school or the like, as this can be used by paedophiles or other persons to "groom" a child.

We will only use images of children that are relevant to our sport and we will ensure that they are suitably clothed in a manner that promotes participation in the sport. We will seek permission from the parents/guardians of the children before using the images. We require our Member Clubs do likewise.

Photographers acting in a professional capacity at Pony Club WA events must be approved as per our Visual Images Policy (available on our website www.pcawa.com).

6.3 Anti-Discrimination and Harassment

Pony Club WA is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination and harassment.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against or harassed.

6.3.1 Discrimination

Unlawful discrimination involves the less favourable treatment of a person on the basis of one or more of the personal characteristics protected by state or federal anti-discrimination laws.

The personal characteristics protected by anti-discrimination laws include attributes such as race, age, disability and gender. The full list of protected personal characteristics is in the "Definitions" set out in the Dictionary of Terms.

Discrimination can be either direct or indirect. Direct discrimination occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic. Indirect discrimination occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practice is not reasonable.

For the purposes of determining discrimination, the offender's awareness and motive are irrelevant.

6.3.2 Harassment

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation.

The offensive behaviour does not have to take place a number of times, a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment is unwelcome conduct, remarks or innuendo of a sexual nature. It covers a wide range of behaviours and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

6.3.3 Prohibition against discrimination and harassment

We prohibit all forms of harassment and discrimination based on the personal characteristics listed in the “Definitions” set out in the Dictionary of Terms.

Any person who believes they are being, or have been, harassed or discriminated against by another person or organisation bound by this policy is encouraged to raise their concerns with us and may make a complaint, and in some circumstances, they may also be able to make a complaint to an external organisation (refer Part D: Member Protection Complaints).

6.4 Intimate relationships

Pony Club WA understands that consensual intimate relationships (including, but not limited to sexual relationships) between coaches or officials and adult athletes may take place legally. However, this policy will help ensure that the expectations of coaches or officials are clear and, to ensure that if an intimate relationship does exist or develop between a coach or official and an adult athlete, that relationship will be managed in an appropriate manner.

Coaches and officials are required to conduct themselves in a professional and appropriate manner in all interactions with athletes. In particular, they must ensure that they treat athletes in a respectful and fair manner, and that they do not engage in sexual harassment, bullying, favouritism or exploitation.

Pony Club WA takes the position that consensual intimate relationships between coaches or officials and the adult athletes they coach should be avoided as they can have harmful effects on the athlete involved, on other athletes and coaches and on the sport’s public image. These relationships can also be perceived to be exploitative due to the differences in authority, power, maturity, status, influence and dependence between the coach or official and the athlete.

We recommend that if an athlete attempts to initiate an intimate relationship with a coach or official, the coach or official should discourage the athlete’s approach and explain to the athlete why such a relationship is not appropriate.

If a consensual intimate relationship does exist or develop between an adult athlete and a coach or official, the coach or official is expected to ensure that the relationship is appropriate and that it does not compromise impartiality, professional standards or the relationship of trust the coach or official has with the athlete and/or other athletes.

In assessing the appropriateness of an intimate relationship between a coach or official and an adult athlete, relevant factors include, but are not limited to:

- the relative age and social maturity of the athlete;
- any potential vulnerability of the athlete;
- any financial and/or emotional dependence of the athlete on the coach or official;
- the ability of the coach or official to influence the progress, outcomes or progression of the athlete’s performance and/or career;
- the extent of power imbalance between the athlete and coach or official; and

- the likelihood of the relationship having an adverse impact on the athlete and/or other athletes.

It will often be difficult for a coach or official involved in an intimate relationship with an adult athlete to make an objective assessment of its appropriateness and accordingly they are encouraged to seek advice from the Member Protection Information Officer, Complaints Officer or other official to ensure that they have not involved themselves in inappropriate or unprofessional conduct.

If it is determined that an intimate relationship between a coach or official and an adult athlete is inappropriate or unprofessional we may take disciplinary action against the coach or official up to and including dismissal. Action may also be taken to stop the coaching relationship with the athlete. This could include a transfer, a request for resignation or dismissal from coaching duties.

If a coach, official or athlete believes they are being, or have been, harassed they are encouraged to seek information and support from the Member Protection Information Officer. Our complaints procedure is outlined in Part D: Member Protection Complaints.

6.5 Pregnancy

Pony Club WA is committed to treating pregnant women fairly and to removing any unreasonable barriers to their full participation in our sport. We will not tolerate any discrimination or harassment against pregnant women.

Pony Club WA will take reasonable care to ensure the continuing safety, health and wellbeing of pregnant women. We will advise pregnant women that there may be risks involved with their continuing participation in sport, and we will encourage them to obtain medical advice about those risks. Pregnant women should be aware that their own health and wellbeing, and that of their unborn child, is of utmost importance in their decision-making about the extent they choose to participate in our sport.

We encourage all pregnant women to talk with their medical advisers, make themselves aware of the facts about pregnancy in sport and ensure that they make informed decisions about their participation in our sport. Pregnant women should make these decisions themselves, in consultation with their medical advisers and in discussion with Pony Club WA.

We will only require pregnant women to sign a disclaimer in relation to their participation in our sport whilst they are pregnant if all other participants are required to sign one in similar circumstances. We will not require women to undertake a pregnancy test.

If a pregnant woman believes she is being, or has been, harassed or discriminated against by another person or organisation bound by this Policy, she may make a complaint (refer to Part D: Member Protection Complaints).

6.6 Gender identity

Gender identity means the gender-related identity, appearance or mannerisms or other gender-related characteristics of a person. This includes the way people express or present their gender and recognises that a person's gender identity may be an identity other than male or female. Some terms used to describe a person's gender identity include transgender and gender diverse.

6.6.1 Gender identity discrimination and harassment

Federal, state and territory anti-discrimination laws provide protection from discrimination against people on the basis of their gender identity (see definition in Dictionary of Terms).

Pony Club WA is committed to providing a safe, fair and inclusive sporting environment all where people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity.

All persons, regardless of gender identity, are entitled to be treated fairly and with dignity and respect at all times. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity. This includes discrimination or harassment of a person who is transgender or transsexual, who is assumed to be transgender or transsexual or has an association with someone who has or is assumed to be transgender or transsexual (refer to Part D: Member Protection Complaints).

We expect all people bound by this policy to act with sensitivity when a person is undergoing gender transition/affirmation.

If any person believes that they are being, or have been, harassed or discriminated against by another person or organisation bound by this policy because of their gender identity, they may make a complaint.

6.6.2 Participation in sport

Pony Club WA recognises that excluding people from participating in sporting events and activities because of their gender identity may have significant implications for their health, wellbeing and involvement in community life. We are committed to supporting participation in our sport on the basis of the gender with which a person identifies.

If issues of performance advantage arise, we will consider whether the established discrimination exceptions for participation in sport are relevant in the circumstances. Discrimination is unlawful unless an exception applies.

For Olympic Sports only, Pony Club WA is aware that the International Olympic Committee (IOC) has established criteria for selection and participation in the Olympic Games. Where a transgender person intends to compete at an elite level, we will encourage them to obtain advice about the IOC's criteria which may differ from the position we have taken.

Drug testing procedures and prohibitions also apply to people who identify as transgender. A person receiving treatment involving a Prohibited Substance or Method, as described on the World Anti-Doping Agency's Prohibited List, should apply for a standard Therapeutic Use Exemption.

6.6.3. Intersex status

Federal anti-discrimination law, and some state and territory anti-discrimination laws, provide protection from discrimination against a person on the basis of their intersex status (see Dictionary of Terms).

Pony Club WA is committed to providing a safe, fair and inclusive sporting environment where all people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their intersex status.

6.7 Responsible Service and Consumption of Alcohol

Pony Club WA is committed to conducting sporting and social events in a manner that promotes the responsible service and consumption of alcohol. We also recommend that Member Clubs follow strict guidelines regarding the service and consumption of alcohol.

In general, our policy is that:

- alcohol should not be available or consumed at sporting events involving children and young people under the age of 18;
- alcohol-free social events be provided for young people and families;
- food and low-alcohol and non-alcoholic drinks be available at events we hold or endorse where alcohol is served;

6.8 Smoke-Free Environment

Pony Club WA is committed to providing a safe and healthy environment at all sporting and social events that we hold or endorse.

In general, our policy is that:

- no smoking shall occur at or near sporting events involving children and young people under the age of 18. This policy shall apply to coaches, players, trainers, officials and volunteers;
- social events shall be smoke-free, with smoking permitted at designated outdoor smoking areas; and
- coaches, officials, trainers, volunteers and players will refrain from smoking while they are involved in an official capacity in our sport, both on and off the field.

Please refer to our Health Policy for more information (available on our website www.pcawa.com).

6.9 Bullying

Pony Club WA is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable in our sport.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend or intimidate a person. Bullying behaviour can include actions of an individual or a group. Whilst generally characterised by repeated behaviours, one-off instances can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

- verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
- excluding or isolating a group or person;
- spreading malicious rumours; or
- psychological harassment such as intimidation.

Bullying includes cyber-bullying which occurs through the use of technology. New technologies and communication tools, such as smart phones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments. Pony Club WA

will not tolerate abusive, discriminatory, intimidating or offensive statements being made online. Frustration at an official, teammate, coach or sporting body should never be communicated on social networking websites. These issues should instead be addressed in a written or verbal statement or complaint to the Member Club or Pony Club WA.

If any person believes they are being, or have been, bullied by another person or organisation bound by this policy, he or she may make a complaint (refer to Part D: Member Protection Complaint).

6.10 Social Networking

Pony Club WA acknowledges the enormous value of social networking to promote our sport and celebrate the achievements and success of the people involved in our sport.

Social networking refers to any interactive website or technology that enables people to communicate and/or share content via the internet. This includes social networking websites such as Facebook and Twitter.

We expect all people bound by this policy to conduct themselves appropriately when using social networking sites to share information related to our sport.

In particular, social media activity including, but not limited to, postings, blogs, status updates, and tweets:

- must not contain material which is, or has the potential to be, offensive, aggressive, defamatory, threatening, discriminatory, obscene, profane, harassing, embarrassing, intimidating, sexually explicit, bullying, hateful, racist, sexist or otherwise inappropriate;
- must not contain material which is inaccurate, misleading or fraudulent;
- must not contain material which is in breach of laws, court orders, undertakings or contracts;
- should respect and maintain the privacy of others; and
- should promote the sport in a positive way.

- fair and reasonable;
- applied consistently with any contractual and employment rules and requirements;
- be based on the evidence and information presented and the seriousness of the breach; and
- be determined in accordance with our constitution, this policy and/or the rules of the sport.

Please refer to our Discipline Policy for more information (available on our website www.pcawa.com).

- excluding people on the basis of their sex and/or gender identity status from participation in a competitive sporting activity where the strength, stamina or physique of competitors is

relevant to the specific activity (note that this does not apply to activity by children who are under the age of 12 years); and

- not selecting a participant if the person's disability means he or she is not reasonably capable of performing the actions reasonably required for that particular sporting activity.

Harassment is any type of unwelcome behaviour which has the effect of offending, humiliating or intimidating the person harassed. Unlawful harassment can be based on any of the personal characteristics covered by anti-discrimination law, such as a person's race, sex, pregnancy, marital status or sexual orientation (see the list under "Discrimination").

Public acts of racial hatred which are reasonably likely to offend, insult, humiliate or intimidate are also prohibited. Sexual harassment can take many different forms and may include unwelcome physical contact, verbal comments, jokes, propositions, displays of pornographic or offensive material or other behaviour that creates a sexually hostile environment. Sexual harassment does not have to be intentional.

Sexual offence means a criminal offence involving sexual activity or acts of indecency. Because of differences under state and territory laws, this can include but is not limited to:

Transgender is an umbrella term that refers to a person whose gender identity is different to their physical sex as recorded at birth. Transitioning refers to the process where a transgender person commences living as a member of another sex. This is sometimes referred to as the person ‘affirming’ their gender because transitioning means they start living in what they identify as their true gender. For people who are transitioning/affirming their gender, having their identity fully recognised in all areas of life is a crucial part of the experience of living as their affirmed gender.

Sexual orientation refers to a person’s emotional or sexual attraction to another person, including, amongst others, the following identities: heterosexual, gay, lesbian, bisexual, pansexual, asexual or same-sex attracted.

Gender identity refers to a person’s deeply held internal and individual sense of gender.

Gender expression refers to the way in which a person externally expresses their gender or how they are perceived by others.

Intersex refers to people who have genetic, hormonal or physical characteristics that are not exclusively ‘male’ or ‘female’. A person who is intersex may identify as male, female, intersex or as being of indeterminate sex.

Victimisation means treating someone unfairly or unfavourably, or threatening to do so, because that person has, or intends to, pursue their right to make any complaint, including a complaint under government legislation (e.g. anti-discrimination legislation) or under this policy, or for supporting another person to make complaint.

Vilification means behaviour that occurs in public which incites hatred towards, serious contempt for, or revulsion or severe ridicule of a person or group of people because that person or persons have a particular personal characteristic. Anti-discrimination laws in Australia make it unlawful to vilify a

person or group of persons on the basis of race, religion, homosexuality, transgender status and HIV/AIDS status.

PART C: EMPLOYMENT SCREENING / WORKING WITH CHILDREN CHECK REQUIREMENTS

WORKING WITH CHILDREN

Pony Club WA is committed to providing a safe environment for children. As part of this, we will recruit staff and volunteers who do not pose a risk to children.

Employment screening and Working with Children Checks (WWC Check) can involve criminal history checks, signed declarations, referee checks and other appropriate checks that assess a person's suitability to work with children and young people.

This policy and associated guidelines apply to all persons involved with Pony Club WA who are engaged in 'child-related work' with either Pony Club WA or a Member Club.

In this policy and associated guidelines, the definition of 'child-related work' is consistent with the definition in Section 6 of the *Working with Children (Criminal Record Checking) Act 2004* (the Act).

Persons engaged in 'child related work' in either Pony Club WA or a Member Club include:

- employees (paid and unpaid);
- volunteers (including students on placement);
- administrators; and
- other people carrying out child-related business (such as coaches, officials etc.).

Individuals travelling with children and young people to another state or territory in a work-related capacity must comply with the screening requirements of the State they are travelling to.

REQUIREMENTS

The Act requires that people who start or continue in child-related work have a WWC Check and provides for the administration and management of WWC Checks and their outcomes. A WWC Check is valid for 3 years, after which time the individual is responsible for obtaining a renewal.

A WWC Check is compulsory for all people in child-related work as defined in Section 6 of the Act unless an exemption applies. To see who is eligible for exemption please go to the Working with Children WA Website *Factsheet 2 Child Related Work and Exemptions*.

For the purpose of this policy, a volunteer is an individual who engages in child-related work for an employer, volunteer organisation or education provider for no financial reward or remuneration.

A person who receives payments that just covers the costs of carrying out their child-related work is considered to receive "no financial reward" and is considered to be a volunteer by the WWC Screening Unit.

No exemptions apply to overnight camps.

In order to apply for a WWC Check, the usual duties of a person's work must involve or be likely to involve contact with a child in connection with one of the 19 work categories specified in the Act. These can be found on the Working with Children WA Website *Factsheet 1 What Is Child Related Work?*

It is the responsibility of the individual who is in, or is likely to be in child-related work to be aware of their legal requirements under the Act. Please refer to the Working with Children WA website *Working with Children Card Holder Responsibilities*.

Paid employees must apply for a WWC Check upon commencement of child-related work.

Employees, volunteers and individuals engaged in relevant child-related work in Pony Club WA or Member Clubs who do not show proof that they have applied for a WWC Check may not be able to work or continue to work in Pony Club WA and Member Clubs.

Employees, volunteers and individuals engaged child-related work who are issued with a Negative Notice or an Interim Negative Notice by the WWC Screening Unit or withdraw their application for a WWC Check are deemed unsuitable to undertake work in Pony Club WA and Member Clubs.

Member Clubs must notify the CEO or Membership Officer of Pony Club WA immediately if a Negative Notice or an Interim Negative Notice is received in relation to any individual associated with Pony Club WA.

Any subsequent action taken by Pony Club WA will be documented, transparent, legally defensible and capable of review in accordance with the principles of natural justice. All information relating to WWC Checks and their outcomes will be dealt with in the strictest confidence and in accordance with relevant legislation and policies.

More information on responsibilities of engaging someone in child related work can be found on the *Working with Children WA website*.

RECORD KEEPING

Pony Club WA and Member Clubs are required to keep records to demonstrate compliance with the Act.

Records should include:

- a list of all employees, volunteers and students identifying those engaged in child-related work with your organisation;
- WWC Check application numbers (where applicable), WWC Card numbers and expiry dates or record of exemptions that apply for all your employees, volunteers and students in child-related work;
- copies of WWC Cards for your all employees, volunteers and students who engage in child-related work;
- all notifications received from the WWC Screening Unit;
- copies of any WWC Card validations from the WWC Check website; and
- any Interim Negative Notice(s) or Negative Notice(s) issued and the action taken by your organisation.

This information should:

- be stored securely;
- remain confidential; and
- be updated regularly.

DEFINITIONS

For the purposes of this policy, the following definitions in the Act are relevant:

Child means a person who is under the age of 18 years.

Child related work has a specific definition in the Act. “Work” is child-related if the usual duties of the work involve, or are likely to involve contact with a child in connection with at least one of the 19 categories of child-related work. For the purposes of the WWC legislation, volunteers under 18 years of age are exempt from the legislation and not in child-related work.

Class 1 and Class 2 offences are those specifically listed in the WWC legislation.

Contact includes:

- a) any form of physical contact;
- b) any form of oral communication, whether face to face, by telephone or otherwise; and
- c) any form of electronic communication;

but does not include contact in the normal course of duties between an employer and an employee or between employees of the same employer.

An **Interim Negative Notice** is a notice that prohibits a person from undertaking child-related work in Western Australia before a final decision is made by the WWC Screening Unit. An Interim Negative Notice is issued when it is determined that the person poses a serious and immediate risk to children and effectively prohibits the person from doing child-related work while the assessment process is finalised.

A **Negative Notice** is a notice that prohibits a person from undertaking child-related work in Western Australia and is valid until its cancellation under the Act.

A **Working with Children Card** is issued to a person when their WWC Check has been successful. It is also referred to as an assessment notice.

A **Working with Children Check** is a compulsory national criminal record check for people who undertake child-related work in Western Australia.

PART D: MEMBER PROTECTION COMPLAINTS

Pony Club WA is committed to supporting people associated with our sport to make and resolve any complaints they may have in a fair, timely and effective way. All complaints will be treated seriously.

Any person (a complainant) may report a complaint about a person, people or organisation bound by this policy (respondent) if they feel they have been discriminated against, harassed, bullied or there has been any other breach of this policy.

All complaints will be kept confidential as far as possible and will not be disclosed to another person without the complainant's consent, except if the law requires us disclose this information or it is necessary to properly deal with the complaint. To ensure fairness for everyone involved, we will provide the full details of the complaint to the person or people against whom the complaint has been made and ask for their response. As a result, it may be difficult for us to resolve complaints made anonymously.

Pony Club WA will provide informal and formal procedures to deal with complaints. Individuals and organisations can also make complaints to external organisations under anti-discrimination, child protection and other relevant laws. We also provide an appeals process for those matters (refer to our Disputes Policy).

If a complaint relates to behaviour or an incident that occurred at the club level, or involves people operating at the club level, then the complaint should be reported to and handled by the relevant club in the first instance.

Pony Club WA will maintain confidentiality where possible and as provided in this policy and seek to ensure that no one is victimised for making, supporting or providing information about a complaint.

INFORMAL APPROACHES

Step 1: Talk with the other person (if safe, reasonable and appropriate)

As a first step, you (the complainant) should try to sort out the problem with the person or people involved if you feel confident to do so.

Step 2: Contact a Member Protection Information Officer

We encourage you to talk to a Member Protection Information Officers (MPIOs) if:

- step 1 (above) is not appropriate;
- you are not sure how to handle the problem by yourself;
- you want to talk confidentially with someone and find out what options are available to address your concern; or
- the concern continues after you approached the other person.

The names and contact details for Pony Club WA MPIOs are available on the Pony Club WA website (www.pcawa.com).

The MPIO will:

- ask how you would like your concern to be resolved and if you need support;
- seek to provide different options for you to address your concern;

- act as a support person, if you wish;
- refer you to an appropriate person to help you address your concern, if appropriate;
- inform the relevant government authorities and/or police, if required by law to do so; and
- where possible and appropriate, maintain confidentiality.

Step 3: Decide how to address your concern

After talking with the MPIO, you may decide:

- there is no problem;
- the problem is minor and you do not wish to take the matter forward;
- to try and resolve the problem yourself, with or without a support person;
- to resolve the problem with the help of someone impartial, such as a mediator; or
- to resolve the matter through a formal process.

FORMAL APPROACHES

Step 4: Making a formal complaint

If it is not possible or appropriate to resolve your complaint through an informal process, you may make a formal complaint in writing to the CEO or approach a relevant external agency, such as an anti-discrimination or equal opportunity commission, for advice and assistance.

Please refer to our Complaints Policy for more information about lodging a formal complaint (available on our website www.pcawa.com).

RECORDS

Pony Club WA will ensure that all the complaints we receive, both formal and informal, are properly documented. This includes recording how the complaint was resolved and the outcome of the complaint.

This information, and any additional records and notes, will be treated confidentially (subject to disclosure required by law or permitted under this policy) and stored in a secure place.

APPROACHING EXTERNAL ORGANISATIONS

If you feel that you have been harassed or discriminated against, you can seek advice from your state or territory anti-discrimination or equal opportunity commission. There is no obligation to make a formal complaint. However, if the commission advises you that the issues appear to be within its jurisdiction, you may choose to lodge a formal complaint with the commission.

The commission may investigate your complaint. The commission may also attempt to conciliate the complaint on a confidential basis. If this fails, or if it is not appropriate, the complaint may go to a formal hearing. The tribunal will make a finding and decide what action, if any, will be taken.

If you do lodge a complaint with the commission, an appropriate person from our organisation (e.g. an MPIO) will be available to support you during the process. You may also wish to have a legal representation, particularly if the complaint goes to a formal hearing.

Contact details for the state and territory anti-discrimination and equal opportunity commissions are available on the Play by the Rules website: <http://www.playbytherules.net.au/resources/quick-reference-guide>.

Serious incidents, such as assault or sexual assault, should be reported to the police.

IMPROPER COMPLAINTS AND VICTIMISATION

Pony Club WA aims to ensure that our complaints procedure has integrity and is free of unfair repercussions or victimisation against any person making a complaint.

We will take all necessary steps to make sure that people involved in a complaint are not victimised. Disciplinary measures may be undertaken in respect of a person who harasses or victimises another person for making a complaint or supporting another person's complaint.

If at any point in the complaint handling process the MPIO or CEO considers that a complainant has knowingly made an untrue complaint, or the complaint is malicious or inappropriately intended to cause distress to the respondent, the matter may be referred in writing to the Board for review and appropriate action, including possible disciplinary action against the complainant.

APPENDIX 1: PROCEDURE FOR HANDLING ALLEGATIONS OF CHILD ABUSE

If you believe a child is in immediate danger or a life-threatening situation, contact the Police immediately on 000.

Fact sheets on reporting allegations of child abuse in different states and territories are available [here](#).

Pony Club WA will treat any allegation of child abuse or neglect promptly, seriously and with a high degree of sensitivity.

All people working with Pony Club WA in a paid or unpaid capacity have a duty to report any concerns to the appropriate authorities, following the steps outlined below.

Step 1: Receive the allegation

If a child or young person raises with you an allegation of child abuse or neglect that relates to them or to another child, it is important that you listen, stay calm and be supportive.

Do	Don't
Make sure you are clear about what the child has told you	Do not challenge or undermine the child
Reassure the child that what has occurred is not his or her fault	Do not seek detailed information, ask leading questions or offer an opinion.
Explain that other people may need to be told in order to stop what is happening.	Do not discuss the details with any person other than those detailed in these procedures.
Promptly and accurately record the discussion in writing.	Do not contact the alleged offender.

Step 2: Report the allegation

Immediately report any allegation of child abuse or neglect, or any situation involving a child at risk of harm, to the police and/or the relevant child protection agency. You may need to make a report to both.

Contact the relevant child protection agency or police for advice if there is any doubt about whether the allegation should be reported.

If the allegation involves a person to whom this policy applies, then also report the allegation to the CEO so that he or she can manage the situation.

Step 3: Protect the child and manage the situation

The CEO will assess the immediate risks to the child and take interim steps to ensure the child's safety and the safety of any other children. This may include redeploying the alleged offender to a position where there is no unsupervised contact with children, supervising the alleged offender or removing/suspending him or her until any investigations have been concluded. Legal advice should be sought before any interim steps are made if the person is an employee of Pony Club WA.

The CEO will consider what services may be most appropriate to support the child and his or her parent/s.

The CEO will consider what support services may be appropriate for the alleged offender.

The CEO will seek to put in place measures to protect the child and the alleged offender from possible victimisation and gossip.

Step 4: Take internal action

At least three different investigations could be undertaken to examine allegations that are made against a person to whom this policy applies, including:

- i) a criminal investigation (conducted by the police)
- ii) a child protection investigation (conducted by the relevant child protection agency)
- iii) a disciplinary or misconduct inquiry/investigation (conducted by Pony Club WA).

Pony Club WA will assess the allegations and determine what action should be taken in the circumstances. Depending on the situation, action may include considering whether the alleged offender should return to his or her position, be dismissed, banned or suspended or face other disciplinary action.

If disciplinary action is undertaken, we will follow the procedures set out in our constitution or Member Protection Policy.

Where required we will provide the relevant government agency with a report of any disciplinary action we take.
