Once you select the membership (and upload the requested documentation) it will take you to your shopping cart where you will be able to pay by card.

If you are unable to proceed with a purchase, it probably means your credential (WWCC) needs approval (or your EA membership checked as in Top Up membership). Note that Official and Unpaid Coach is \$0.

Credentials checks are something done on a daily basis, and we advise you to check back in a few hours or ring the office (08 9296 1500).

We recommend downloading and saving your membership card to your desktop for easy access. It can be found in Membership> Governing Bodies> (See screenshot overpage)

The screenshot shows a web interface with a teal header containing three tabs: 'PROFILE', 'MEMBER DETAILS', and 'MEMBERSHIP'. Below the header, the text 'Categories > State Direct' is visible. There are two buttons: 'Active' (highlighted) and 'Expired'. A message states: 'These are your active membership(s)' followed by an information icon and the text: 'There are no memberships currently available for you to add or renew from this category. Please select back and try a different category.' Below this is a membership card for 'Open Rider (Riding)' with a 'Valid till: 31/12/2022' date. A progress bar shows '7 Months until renewal available'. A green download icon is circled in pink.
