How are Results and Levies worked out?

- 16. Only results from events endorsed as Sports Leaderboard Events on the Pony Club WA website will be included in the Sports Leaderboard series.
- 17. Clubs must submit their results on the designated spreadsheet in the required format within 14 days of the event. Failure to do so could see the future of any events and/or series revoked or suspended.
- 18. Pony Club WA will issue an invoice for the levies based on horse and rider combinations, and payment must be paid within 14 days of receipt.
- 19. Upon receipt, results will be posted to a social media platform for riders' review and queries to the club.
- 20. Levies payable are \$3.00 per horse and rider combination per round, or per test. See Table B.
- 21. Leaderboards will be closed to querying of event results in 3 rounds as follows:
 - Round 1 For events held between 1 November 2024 and 31 March 2025, any results discrepancies must be queried by 15 April and locked down 31 April;
 - Round 2 For events held 1 April to 31 July, queries in by 15 August and results locked down 31 August; and
 - Round 3 For events held 1 August to 31 October queries in by 15 November and results locked down 22 November.
- 22. Results from both Hickstead and Hunter Trials events will be entered on one combined Hickstead/Hunter Trials Leaderboard.
- 23. Results from the Active Riding leaderboard will be a combined leaderboard including placings for novelties, Pony Club Mount/Active Riding Challenge, as well as PPMG. As a team event, the final placing for the PPMG team will be reflected against the individual competitors in that team.
- 24. Provisional results will be published in November. Riders will be given 7 days to query leaderboard results before final placings are published. There will be a 48 hour appeal period for any changes to be made to the leaderboard.
- 25. If a situation eventuates that is not covered under the Terms and Conditions of the Sports Leaderboard, the Pony Club WA Sports Leaderboard Coordinator will allocate points in the spirit of fairness and consistency.

| Dressage | Leaderboard Levy \$3 per horse & rider combination/test | |
| Eventing | Leaderboard Levy | \$3 |
| | TD Officials Levy | \$10.50 |
| | Championship Levy | \$1.50 |

| | TD Officials Levy | \$2.50 |
| | TOTAL = | \$5.50 per horse & rider combination |
| Show Jumping | Leaderboard Levy | \$3 per horse & rider combination/round |

How does Scoring work?

- 26. A horse/rider combination may only compete at one Pony Club Leaderboard event per day.
- 27. If more than one test or class, per level or height, per day is scheduled at an event, placings will be awarded to:
 - The class identified as the leaderboard class in the event entry pack;
 - The highest placing per day per level, if a class has not been identified in the event entry pack;
 - The only exception to this is the Active Riding Leaderboard where each class can receive 1 placing per day (Classes refer to: PPMG Final Score, Per Novelty, Pony Club Mount/Active Riding Challenge).
- 28. Where a rider is riding two rounds at the same grade at the one event (i.e. Hickstead/Hunter Trials) then only placings from the first round will be scored.
- 29. If the age category of a class does not equate to the Sports Leaderboard age categories, riders will be awarded points for the actual place achieved in the class regardless of their age.
- 30. Riders who enter a class they are not eligible for, will not receive points for placing in that class.
- 31. Points earned in a lower grade cannot be carried over to a higher grade.
- 32. A horse/rider combination can be awarded points and place in two grades.
- 33. Points are awarded on the following basis:
 - 1st = 7pts, 2nd = 6pts, 3rd = 5pts, 4th = 4pts, 5th = 3pts, 6th = 2pts, and 1 point for participation.
- 34. When there is an equality of points countback will award the horse and rider combination who has the greater number of wins, then second placing, then third placings.

Disciplinary Action

35. If a member is suspended by Pony Club WA for any matter other than medical suspension, they will forfeit their right to participate in the Sports Leaderboard Series.

Championships

36. Please see entry packs as to which classes are eligible for championship double points.
