PERFORMANCE MEDALS

The Pony Club WA Dressage Performance Medal program recognises horse and rider combinations who are achieving outstanding results throughout the competition year.

The committee envisaged that the Performance Medals recognition program would encourage riders to aspire to reach a higher standard of riding through dedication and training, and provide a measure of their personal achievements and success.

A Performance Medal can only be achieved once per level, that is a horse/rider combination can achieve 1 x Gold, 1 x Silver and 1 x Bronze medal per dressage competition level. Performance medals are available to all Pony Club Riders competing at a recognised Pony Club State or Club event from Preparatory through to the FEI levels. Our ultimate goal is to encourage all riders from every discipline to have a go at obtaining a performance level and a competitive level that is relevant to their discipline.
